

COVID-19 measures at PERFORMANCE DAYS

(as of November 18)

To ensure that PERFORMANCE DAYS can take place safely and successfully even during the coronavirus pandemic, PERFORMANCE DAYS and Messe München have worked out a safety and hygiene concept that complies with the official regulations by the Bavarian State Government.

In general in case you had contact with COVID-19 cases in the last 14 days or if you have acute, non-specific symptoms and respiratory symptoms, however severe, please don't attend the fair. Also be aware of the entry and quarantine regulations that apply before you travel to PERFORMANCE DAYS.

Exhibitor briefing:

We are aware of the current uncertainties on the part of exhibitors and have summarized **important recommendations and measures** to help you with your trade fair planning. The regulations might be subject to change depending on the situation at the time of the fair – so check for updates regularly.

1. Exhibitors who are **vaccinated, recovered** or **PCR tested**. (“3G+”) may enter on the fairgrounds. (**Also on set-up day, November 30 + December 01- 02**) Access to trade fairs and exhibitions is subject to the presence of vaccination, recovered or PCR test proof, irrespective of incidence rates and will be **scanned** before entering the fairgrounds on **all days**. (November 30 – December 02)

PCR Testing Stations can be found here: <https://www.performancedays.com/about-the-fair/faq-safety-and-hygiene-concept.html>

Access only with a vaccine licensed in the EU

- ✓ Comirnaty (BioNTech/Pfizer)
- ✓ COVID-19 Vaccine Janssen (Johnson & Johnson)
- ✓ Spikevax (COVID-19 Vaccine Moderna) (Moderna)
- ✓ Vaxzevria (COVID-19 Vaccine AstraZeneca) (AstraZeneca)

Find a detailed list here:

<https://www.performancedays.com/about-the-fair/faq-safety-and-hygiene-concept.html?file=files/performancedays/content/exhibitor-area/Dateien%20-%20aendern%20pro%20Event/Allowed-covid-19-vaccines.pdf&cid=19501>

For the smoothest possible entry, a vaccination proof wristband can be picked up on the evening of the first day of the fair to speed up entry on the second day of the fair.

2. **Wearing a mouth and nose cover is mandatory.**

- ✓ In all in- and outdoor areas, wearing a FFP2 face mask is mandatory for all. (Exception: Food Court and Outside)
 - ✓ Mouth and nose cover is necessary for booth builders and booth personal as well.
3. An essential part of the hygiene concept is the **minimum distance of 1,5 meters** between persons through the entire fair grounds. **Adapt your booth design**, to ensure the minimum distance can be kept at your booth.
- ✓ Make sure visitors can enter and exit with enough distance.
 - ✓ Spread out product displays in a way to avoid crowds of people building around it.
 - ✓ There is no maximum number of persons on the stand as long as the minimum distance of 1,5 meters is kept.
 - ✓ We recommend a maximum of 2 exhibitors per booth, so distancing is possible.
4. Food and take away at the booth are allowed but **NO open catering!**
- ✓ **Coffee/Tea** at the booth is **allowed**.
 - ✓ **Gifts** and **brochures/catalogs** for visitors are **allowed**.
5. As an exhibitor **NO own hygiene concept** for your booth is needed.
6. Business contact etiquette:
- ✓ Avoid shaking hands.
 - ✓ **Sanitize** your hands **before touching products**. Make sure your **customers** sanitize their hands before touching samples.
 - ✓ Provide sufficient hand sanitizer at your booth (PERFORMANCE DAYS will provide one at your booth).
 - ✓ **Wipe** tables, counters, products, gadgets, etc. at your booth regularly (at least after every customer).
7. Each exhibitor must name a person present at the stand during set-up, the duration of the show and dismantling as a **contact person for ensuring compliance with the hygiene rules**, such as the disinfection of useful areas. Please register the contact person in your Exhibitor Account (-> CONTACT PERSONS) in advance.
8. Each exhibitor needs to register for an **Exhibitor Pass** in advance to access the fairgrounds.
- For tracking reasons, the **private address** needs to be indicated for the registration. **Stand builders** and other booth personnel need to have an Exhibitor Pass as well. Carry the Exhibitor Pass with you at any time as it needs to be scanned when you enter and exit the fairgrounds.

9. There will be check visits by PERFORMANCE DAYS and Messe München to make sure these measures are in place.
10. Hotel stays for business trips
For your stay in a hotel you need to be **vaccinated, recovered or PCR tested.**
This will be checked by the hotels.
11. **Arrival by train, bus, tramway, or subway.**
It is obligatory to wear a FFP2 mask in all vehicles and underground stations, with the exception of platforms in the open air.

We recommend you to install the “Corona Warn App” on your phone to help trace infection chains in Germany:
