Our Responsibility

Economic success is a prerequisite if a company is to be able to survive in the market long term. However, economic success as an end in itself is a thing of the past. Global megatrends such as climate change, limited natural resources and demographic trends require companies today not only to provide answers but also to meet the expectations that employees, customers and the social environment have of them.

Nantong Huakai Textile Co.LTD. stands by its responsibility towards nature and society and is continuously expanding its sustainability activities.

We will achieve our long-term business goal of being the leading Modern Premium Casual Lifestyle Brand by combining business values, sustainability and innovation in a meaningful way.

Thanks!
