QUANZHOU LIME GARMENT CO LTD

Quanzhou Lime Garment (referred to as QLGC) was established in 2012. We develop & produce sustainable outdoor & sportswear collections and we are dedicated to responsibly textile production under certified conditions. We continue to gain knowledge from international summits and congresses aiming to be an even stronger and the most reliable partner in the supply setup.

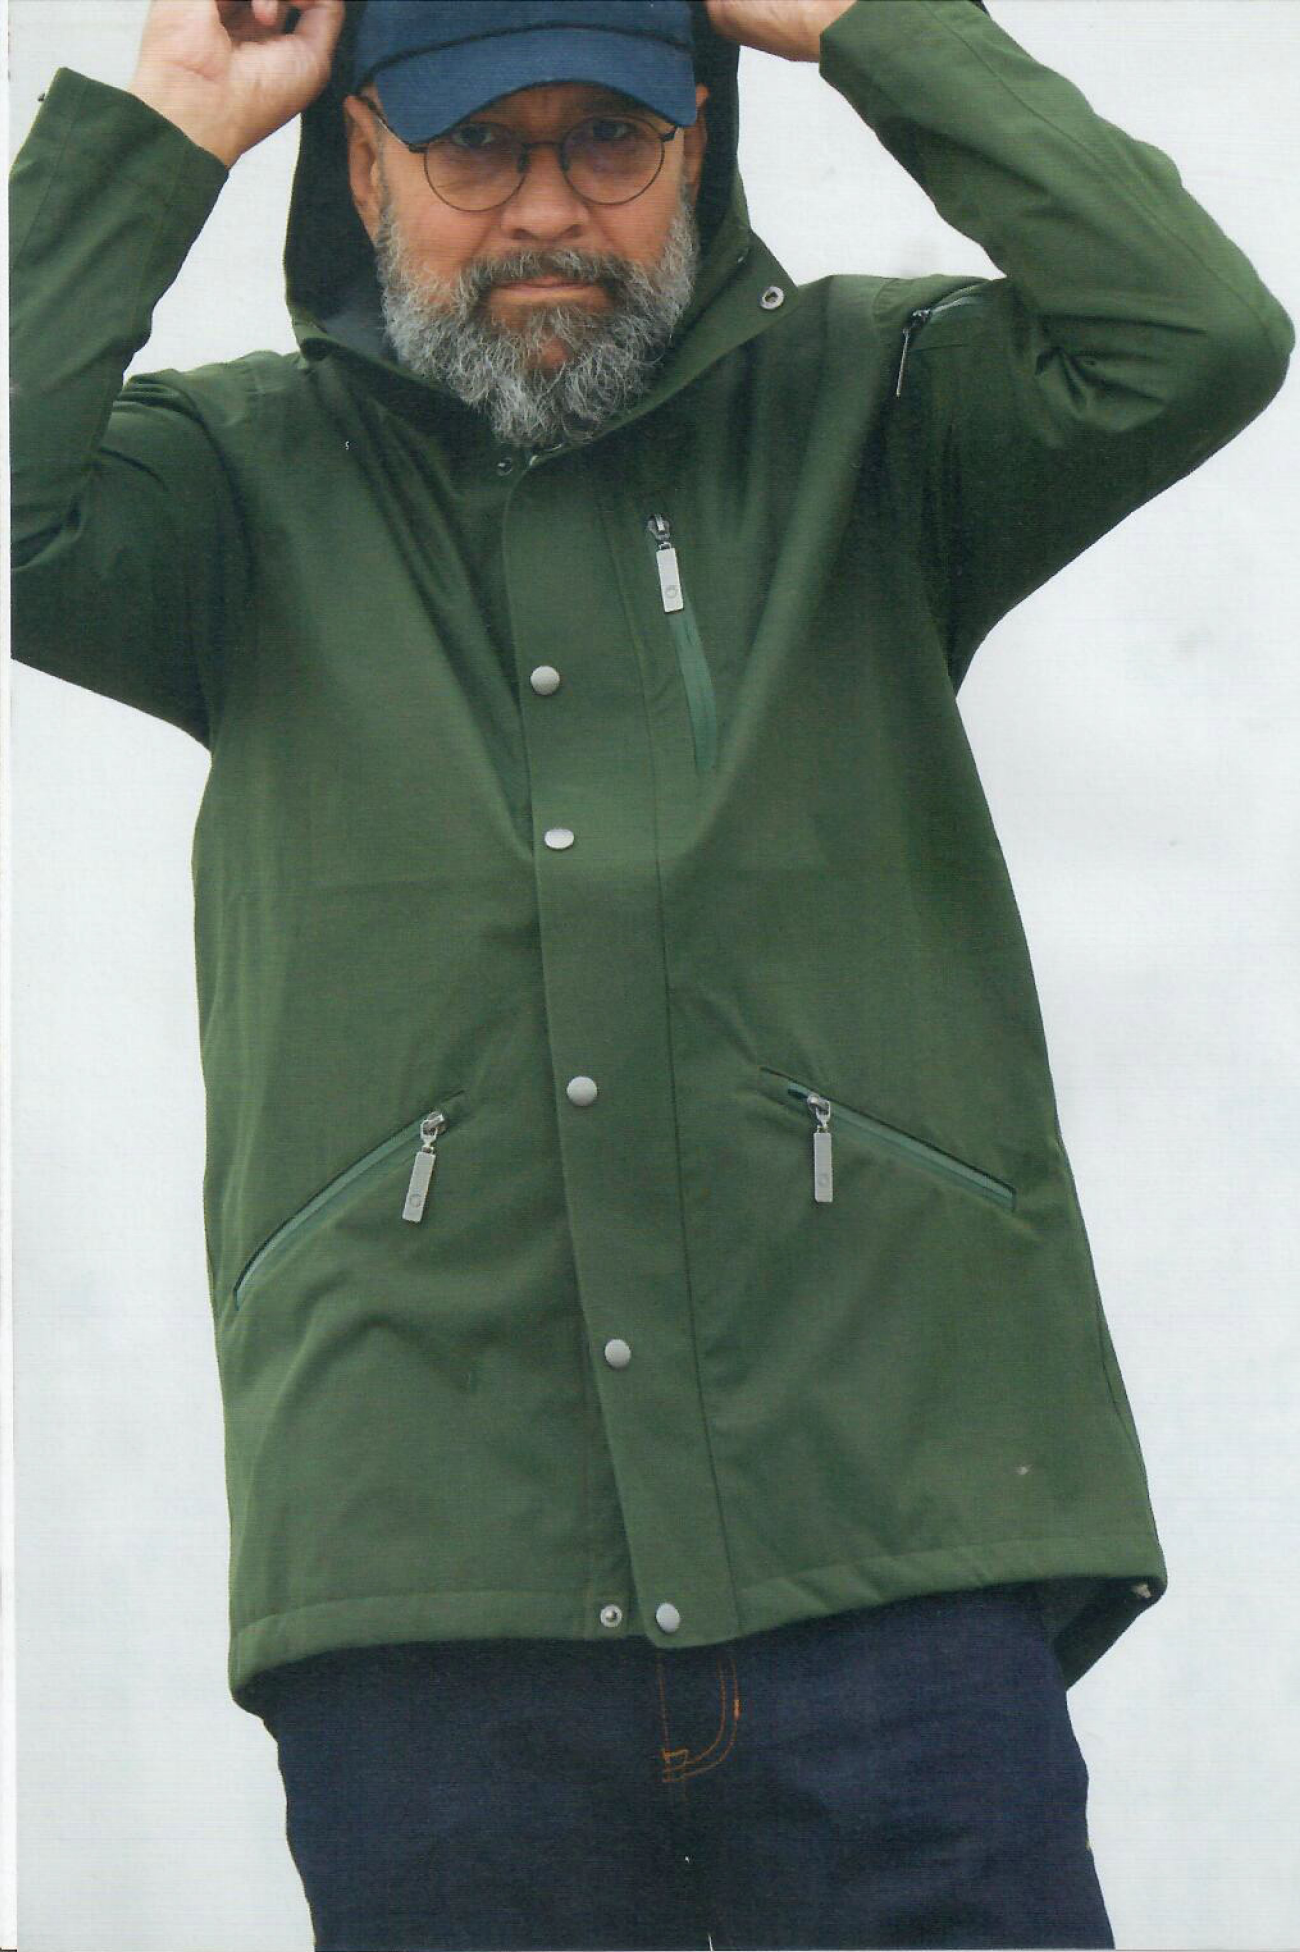

QLGC supply high-quality garments in the most sustainable way. Our setup grants certified eco-friendly materials in our garment production and all of our products are manufactured in our factory with a fully up-to-date code of conduct. Respect for human rights, the environment and our business relations are all part of our responsibility and we maintain a good balance between economy and sustainability. QLGC is also committed to some of the UN sustainable development goals.
