

# Performance Days reports record number of exhibitors

05/06/2014

The organisers of Performance Days have said the twelfth edition of the event, which took place in Munich in May, set a new record for the number of exhibitors.

In all, there were 108 exhibitors from 17 countries. This represents an increase of more than 25% compared to the May edition of the show in 2013.

This time, 927 industry professionals visited to look at innovations from the world of functional fabrics and accessories, an increase of 3.2% year on year.

Major exhibitors included PrimaLoft, Sympatex, Schoeller, Lycra, Toray, Pertex, 3M and Pontetorto.

The next Performance Days will take place in Munich from November 4-5, 2014.
