Insulation a focus at sold-out Performance Days

Organisers of Germany-based trade show Performance Days, which begins on November 4, have said that the fully booked halls will house 124 exhibitors, 8% more than at the show in November 2013.

Returning companies include 3M, Schoeller, Lycra, Pertex, PrimaLoft, Toray and Sympatex, with Polartec and Nilit exhibiting for the first time.

There will be an additional table in the trends forum, which will be dedicated to a topic of focus each fair. For winter 2016/17, this will be innovations in the 'insulation' category.
