Performance Days announces preliminary conference programme

The CEO of textile finisher HeiQ has been named among speakers for the Performance Days Forum on April 20.

Carlo Centonze will discuss 'Fluorine-free DWR - Learning from nature' and will join Lars Gutow from the Alfred Wegener Institute Helmholtz Centre for Polar and Marine Research who will explain fabrics' footprint in the ocean and Annemarie van Hoof from 4-Options, who will highlight 'smart textiles, from research to products'.

The Performance Days fabric fair will take place on April 21 and 22 in Munich, Germany. More details are available on its website.
