

Performance Days confirms live dates

29/10/2021

The organizers of Germany-based fabrics fair Performance Days have confirmed the next physical show dates as December 1 to 2, 2021.

The fair will go ahead in strict compliance with the current official hygiene regulations and in close cooperation with the Messe München authorities.

The show is planned as a hybrid event to give those who are unable to attend the opportunity to follow what is on offer digitally.

Exhibitors who are unable to present their highlights on site can also be accessed via the Performance Days Loop digital platform, through newly developed "remote booths".

Two further fairs are planned as live events: The Functional Fabric Fair by Performance Days in Portland, US, on November 17-18 and Functional Textiles Shanghai by Performance Days on December 6-7, 2021.
