

JIAMEIR WELCOME YOU TO PERFORMANCE DAYS 2020 ONLINE EXHIBITION

## **The Next Generation In Green Future “Nothing to Waste, Closing the Loop”**

PRESS REALESE

Date: 2020/11/10

This December, Performance Days move to online! No more block for social distancing, no need to worry about the flight and jet lag. Over 280 major international manufacturers from around 29 countries and areas come to present their materials for apparel collections. Connect the suppliers personally, searching for the fabrics, accessories, and present product unique. Talk to the manufacturers one-on-one and start or renew business relationships.

JIAMEIR is so proud to be chosen by the assembly last year, the main theme "Green Evolution" is how we perform our product. We have sustainable and eco-friendly materials, such as recycled felt for embroidery badge, water-based PU with variety texture is the best for transfer, recycled nylon puller, and buckle from the fishnet. Within these efforts, hope we could play a role in innovating a sustainable future.

This year, exhibition is focused on "Nothing to Waste", even recycle or upcycle will be founded. Every piece for apparel got own story, no matter where they from what they were, now they are united. We are so excited to figure out what's new in the exhibition, come and join the journey with us.
